Welcome to Health E Circuits founded by Nancy R. Rizzo, M.S., Th.D., Ph.D., DABR. Nancy R. Rizzo is certified by the American Board of Radiology for Therapeutic Radiological Physics. Her advanced degrees cover energy medicine, medical physics, biophysics as well as spiritual support for critical care. Over the last 20-plus years, she has also extensively researched functional medicine approaches along with the invention and use of the BEST scans. Nancy is a certified functional medicine health coach, and a certified clinical homeopathic specialist, and has studied enumerable dietary theories, practical lifestyle management techniques, and innovative coaching methods with some of the world's top health and wellness experts, including Dr. Andrew Weil, Dr. Norm Shealy, Dr. Mark Hyman, and several other integrative health authorities.

Nancy's education has equipped her with extensive knowledge in holistic nutrition, health coaching, and preventive health. Drawing on her background, training, skills, and life experiences, she endeavors to support her clients spiritually, mentally, emotionally, and physically through her business HEALTH E CIRCUITS Consulting Services. Suggestions made by Nancy are determined through the consideration of the Biofield Energy Systems Technology (BEST) Scan results, in conjunction with nutritional intake information, additional information regarding other areas of your life, and the overall goals for your well-being. The ultimate endeavor is to establish your own uniquely optimum Holistic Life path/plan.

Health/Wellness coaching nor BEST Scans are intended to diagnose, treat, prevent or cure any disease or condition. They are not intended to substitute for the advice, treatment, and/or diagnosis of a qualified licensed professional. Trained Health Coaches may not make any medical diagnosis, claims, and/or substitute for your personal physician's care. As your health/wellness coach Nancy does not provide a second opinion or in any way attempt to alter the treatment plans or therapeutic goals/recommendations of your physician. Nancy's role is to partner with you to provide ongoing support and accountability as you create an action plan to meet and maintain your health goals.

Nancy R. Rizzo is not a medical doctor, dietician, or nutritionist. She does not hold a degree in medicine, dietetics, or nutrition. She makes no claims to any specialized medical training except as a therapeutic radiological physicist, energy medicine specialist, functional medicine health coach, and clinical homeopathy specialist. Content provided by Nancy and/or HEALTH E CIRCUITS Consulting services is not intended to diagnose or treat any diseases. It is intended to be provided for informational, educational, self-empowerment, and wellness purposes ONLY. Please consult with your medical team, and then make well-informed decisions based on what is best for your unique genetics, culture, conditions, and stage of life.

You should consult with a healthcare professional before starting any diet, exercise, supplementation, or medication program.
